FANCY FRENCH POODLES ON LOCAL VISIT

Two sporty French poodles, Francois Renoir and Yvette Manon, are pictured with their owner, Mrs. Ward Parsons. The two prized poodles have a wardrobe all their own which is complete to the point of pyjamas. They have come from Los Angeles with Mr. and Mrs. Parsons to visit

Mr. and Mrs. J. C. Hembling, 256 Eckhardt Avenue East. Mrs. Parsons, the daughter of Mr. and Mrs. Hembling, sings in Hollywood under the name of Sydney Carroll. See "Talk of the Valley" on page 4.

Red Leader Agrees To Nuclear Test Ban Talks

LONDON (AP) — Premier Khrushchev has agreed to East-West talks on banning nuclear weapons tests, but indicated that the Soviet Union may touch off some more explosions before a final international suspension is arranged.

Moscow radio said Friday night that he has accepted a week-old Anglo-American proposal to open talks Oct. 31.

The Western proposal was made Aug. 22, one day after Communist and Western scientists agreed in Geneva that a world-

wide system of enforcing a ban by detecting nuclear explosions was "technically feasible."

Khrushchev endorsed this scientific conclusion, which did not involve a political decision on actually banning tests.

ONE-YEAR SUSPENSION

Both the United States and Britain, who have nuclear test series under way at present, offered to suspend tests for a year from the beginning of political talks. They stipulated, however, that this would depend on Russia's continuing her own unilateral suspension of tests.

The Soviet Union announced March 31, shortly after ending a lengthy series of nuclear tests, that it had halted all nuclear test explosions but would feel free to start again if the United States and Britain failed to stop also.

Khrushchev said Russia "naturally cannot allow the security interests of the Soviet Union to be prejudiced" by Western tests. They "relieve the Soviet Union of the obligation it had assumed unilaterally," the Soviet boss said. He did not elaborate.

ONE LAST SERIES

The U. S. government announced Friday plans for 10 small scale atomic blasts in Nevada before Oct. 31. Britain currently is conducting a nuclear test series in the central Pacific.

There was no immediate official comment on Khrushchev's statement but, in private, Washington authorities expressed delight without surprise.

Khrushchev proposed that the talks "could be brought to a conclusion within two or three weeks."

The Anglo-American offer to ban tests for one year is "of no importance whatever, for a year is precisely the period necessary for preparing another series of nuclear tests," Khrushchev said.

\$40 MILLION FOR GRAIN GROWERS

Gov't Plans Additional \$58 Million Outlay

OTTAWA (CP) — The government today presented Parliament with \$58,621,027 in further supplementary estimates, mostly in further aid to Prairie grain growers and universities.

The largest individual item in the government's additional spending program was \$40,000,000 to Prairie grain growers on the basis of \$1 an acre up to a maximum of \$200 a farmer.

This boost to the Prairie economy, forecast in press reports earlier this week, was intended to help farmers caught between rising production costs and low returns. Farmers had been demanding more than \$200,000,000 in deficiency payments covering the 1955-56 and 1956-57 crop years.

Today's supplementary estimates boosted the government's main spending estimates to date for the fiscal year ending next March 31 to \$5,296,072,088, up from \$4,827,000,000 last year.

With the cost of old age pensions added, the government's expenditure program is boosted to \$5,851,115,000. In his June 37 budget Finance Minister Fleming forecast a record peacetime deficit for the year of \$648,000,000. The \$40,000,000 aid to Prairie current crop year started Aug. 1—likely will push the government even deeper into the red ink.

The supplementary estimates provided another \$8,500,000 in federal grants to universities.

This increase was announced to the House Thursday by Mr. Fleming who said the grants were being boosted immediately to \$25,600,000 annually from \$17,100,000.

A \$1.50 A HEAD

The grants now are to be made on the basis of \$1.50 a head of population in each province, up from the present scale of \$1 on

which the original \$17,100,000 estimate for the year was made. The money is distributed by the National Conference of Canadian Universities. Quebec is the only province which does not permit its universities to accept such aid, April 1.

PENTICTON POLICE COURT

\$25 For Assault
In Beer Parlor

James Casler of Penticton was found guilty of assault yesterday afternoon in Penticton police court and was fined \$25 and costs by Magistrate H. J. Jennings.

The charge arose from a scuffle in the men's beer parlor of the Inola Hotel.

TICKET TORN

A city traffic official standing on one side of the street watched as John Johnson of Penticton tore up a parking ticket.

When Johnson failed to appear in police court on a summons he

was brought before Magistrate H. J. Jennings yesterday, was found guilty of the offence and was given a doubled fine of \$4 and costs.

MISHAP BRINGS FINE

Leonard Laybourne of Nelson was fined \$30 and costs when he was found guilty of driving a vehicle without due care and attention.

The charge arose from an accident Thursday night in which the car driven by Laybourne collided with a parked car on Main Street.

Penticton's Royal
Visit Noted in U.K.

Penticton was only one of four B.C. centres to receive pictorial publicity in the London Daily Mirror, in connection with Princess Margaret's recent visit to Canada.

The newspaper carried a photograph of the princess stepping down the ramp from her RCAF

Penticton Leads
Valley in Long
Distance Calling

Penticton leads the Okanagan in number of long-distance calls according to figures contained in the latest issue of Okanagan Telephone, a publication for the employees of Okanagan Telephone Company.

The publication notes that a total of 19,843 long distance calls were handled by the Penticton office during May. Next highest total was 18,826 for Kelowna followed by 16,339 for Vernon.

Number of telephones in service in the company's 15 exchange areas increased by 1,700 from 21,482 at May 31, 1957 to 23,182 at May 31, 1958.

Kelowna had the most telephones — 6,350 — which was an increase of 220 from the beginning of the year.

Penticton was next with 5,298 phones, up 117 from Dec. 31, 1957.

Summerland had 1,264 phones, 33 more than at the end of last year, while Peachland had 199 phones, 12 more than at the end of 1957.

UBC Offering 140
Evening Courses

University of B.C. officials expect more than 6,000 students will enrol for 140 extension department evening classes beginning Sept. 15.

Average class director, Alice Lindenberg, said the department had increased its offerings by 20 per cent for the 1958-59 season and they expected a corresponding increase in enrolment. Last year's registration was 4,900.

New offerings in the scientific field include a 16-week course in the basic principles of heredity and another on hormones and how they control body functions.

"Both these courses will be designed for the layman as well as the specialist," said Mrs. Lindenberg.

CHEMISTRY UP TO DATE

A 12-week course on recent developments in chemistry, primarily designed for high school science teachers, has been organized as a result of special requests.

"The department will offer, for the first time this year, two special tutorial classes in selected subjects. Registration for the courses will be limited and classes will operate on the basis of lectures, experiments, discussions and papers prepared by students.

HOUSEHOLD HINT

Fruits, tomatoes and pickled vegetables can be canned safely with a boiling-water bath canner.

All other common vegetables require more heat; for them, use a steam-pressure canner.

Record Enrolment of
10,000 Seen for UBC

An enrolment of 10,000 or more students — the highest in the history of B.C.'s history — is expected of the 1958-59 winter session beginning in September.

New procedures designed to speed up the registration process have also been announced by University officials. Under the new system students will arrange their timetables before they pay fees and complete registration booklets.

Officials have also worked out a number of standard programs to speed up the registration of first-year students. "In this way we hope to avoid the familiar 'chaos' and changes in courses after registration," an official said.

Officials in the registrar's office say they hope the new system would eliminate the long lines and waiting periods which characterized registration in the UBC Armoury in previous years.

A new high in summer school registration was established this year, according to figures released by UBC summer session officials.

Number of students taking courses leading to degrees increased 13 per cent over last year, according to Summer Session director Dr. K.F. Argue.

Total registration for academic courses was 3,354, an increase of 451 students over 1957.

WATCH FOR THE SCHOOL CHILDREN

Walt Cousins, city traffic superintendent, watches as Jack Boulding and Bill Hart of the traffic department erect a traffic sign near the Primary School on Main Street in Penticton. With

the opening of city schools on Wednesday, drivers are warned by police to use extra caution and slow down to 15 miles per hour in school areas.

TEMPORARY HELP OF \$1 PER DAY

City Welfare Load
Swelled By Refugees

By DUNC McWHIRTER

An unusually large number of unemployed Hungarian refugees has drifted into Penticton during the last two weeks.

About 50 Hungarian men, most of them quite young, are now registered at the Penticton social welfare office and are receiving temporary relief. Alex Inch, city welfare officer, told the Herald.

COAST UNEMPLOYMENT

Cause of this heavy influx is rooted in unemployment in the Vancouver and coastal area of the province. Unavailability of work in the sphere of industrial labor lies at the center of the problem.

Last year about 1600 Hungarians were lodged and fed at the RCAF camp in Abbotsford, as a result of an arrangement between the Department of Citizenship and Immigration and the Department of National Defence.

At this camp those who wanted to learn trades were encouraged to go to technical schools. The federal government contributed towards their education.

The Abbotsford camp closed last winter. Those refugees who had not yet received employment were billeted at private homes in Vancouver, New Westminster and Victoria, and were given subsistence until employment of some kind was found for them.

When a refugee got work this aid was withdrawn. If he became unemployed again responsibility for his welfare devolved upon the province. The federal government, however, maintains the responsibility of finding work for the out-of-work refugee.

CASE LOAD DOUBLED

The new local problem is aggravated by the large number of non-Hungarian transients which have moved into the area, apparently in search of work in the orchards. Among this group are some married couples. In many cases these people have been advised to come here by employment agencies. Some have drifted from as far as Edmonton and Lethbridge.

All of this is above and beyond the normal 80 or so local cases handled by the city welfare office each month. These cases are people living within the city limits — citizens of Penticton, in other words — who require steady assistance.

"Our case load has almost doubled in the last month," Mr. Inch remarked. "For the number of transients requiring help this is the worst year of the last seven years."

Shortly after their arrival the Canadian economy fell into the doldrums of recession. **NO ROOTS, ALONE**

These young men — many of them just boys — have seen their native land trampled. Their families have been torn apart. They have no roots here, no relatives. They are alone and must learn a difficult language which is far

removed from their Magyar tongue.

"The majority of the 8,000 Hungarians who came to B.C. are employed at present and have been employed," explained Mr. Childstone. "This group in Penticton is composed of the ones who have found it difficult to assimilate themselves through one reason or another. Each person is a separate case."

"They have had a bad time," reflected Mr. Inch. "Most of them appear to be nice boys. They just haven't had a chance."

Mr. Inch told of one Hungarian lad in despair at ever finding employment. "If an English boy can't get work," the young man said, "How can I?"

DIFFERENT ECONOMY

Central problem is the difference of economy. Mr. Childstone said most of the young Hungarians come from urban areas, big cities like Budapest. These men are naturally having a hard time fitting themselves into a rural economy such as that of the Okanagan valley.

"We ourselves have bent over backward to make this thing work," Mr. Childstone said. "It is hoped that the apple harvest will at least temporarily solve the present problem."

Regarding the future, Mr. Childstone remarked, "There is no doubt that if, after harvest, they come back and there is no work, then they will go elsewhere."

SLEEPING OUTSIDE

The last few weeks the young Hungarians have been getting their meals paid out of public funds. Many of them have been sleeping outside on the Lakefront. "Rooming facilities are not at all adequate for all these fellows," Mr. Inch said.

Outside his office the waiting room was full. It would be another busy day.

Bus Routes Announced
For New School Term

School bus schedules for the 1958-59 school term in District 15, were announced today by the school board office.

Contrary to previous report, there will be no elementary school children coming to Princess Margaret School by bus. Those grades one to nine students living on Roy Avenue and south will walk to the Princess Margaret School.

The bus schedules are:

Kaleden area—Bus No. 40 will leave the Kaleden packing house at 7:55 a.m. picking up other students at the railway crossing and at French's Drive-in. After unloading at Princess Margaret School, this bus will proceed to Bryside via Main Street, picking up high school students on its return trip at Lee Avenue and Pineview Road and arriving at the high school at 8:50 a.m.

In the afternoon this bus will leave the high school at 3:45 p.m., its load including Kaleden seniors and Braeside seniors, and go to Braeside. Returning to the Princess Margaret School at 4:10 p.m., the bus will arrive at Kaleden via Highway 97 at 4:40 p.m.

Aravanna route—Bus No. 36 will leave Aravanna at 8 a.m. picking up students at Midgeley's residence and stopping at Jermy Avenue School to unload elementary pupils, followed by a stop at 8:25 a.m. at the school to unload senior and primary children. This bus will then pick up accelerated class students plus junior high students from the cemetery road and Upper Bench bus 38 and take them to Princess Margaret School, returning again to the high school at 8:50 a.m. with senior students picked up at Green Avenue and Highway 97.

In the afternoon, Bus 38 leaves Princess Margaret School at 3:45, stopping at high school to leave accelerated class students and picking up high school students for Aravanna.

Naramata Bus—Leaves Naramata at 7:45 a.m. arriving at high school at 8:20 and proceeding on to Princess Margaret School with a further stop at Huith and Main to pick up additional junior high pupils. On return elementary pupils will be taken to Naramata school arriving at 9 a.m.

In the afternoon this bus leaves Naramata school at 3 p.m. and Princess Margaret School at 3:45 p.m. stopping at the high school also.

UPPER BENCH ROUTE—Bus no. 38 starts at 8 a.m. from Corbisley's corner, proceeding to Mutch's corner, Cemetery Road and Middle Bench Road, unloading at Jermy Avenue and Main at 8:25 a.m. Grades 7, 8 and 9 students will here board bus 36 for the Princess Margaret School.

and bus 38 will proceed to the West Bench.

Upper Bench students will return on bus 36 which leaves the Primary School at 3 p.m. and proceeds via Jermy Avenue to Johnson Road, Upper Bench Road, Naramata Road and the city limits.

A second Bus, No. 40, will leave the primary school at 3 p.m. also returning students via Jermy Avenue to Middle Bench Road and Cemetery Road.

West Bench route—Bus 38 will pick up grades 7-13 students at 8:25 a.m. taking them to the high school only. The bus leaves the high school for the afternoon trip at 3:45 p.m.

Allen Grove—The student car leaves the Allen residence at 8 a.m. and the high school at 3:45 p.m. for the return trip.

Mr. Vincent comes from a family heritage of Christian ministers. His father, Dr. A. J. Vincent, was a minister in the U.S. and Canada for over 60 years. Two of his uncles were Baptist ministers and two of his cousins, also.

His great grandfather was Rev. Samuel Robinson, one of the founders and fathers of Baptist work in the city of St. John, N.B. His brother, Dr. A. C. Vincent, is at present pastor of the Main Street Baptist Church, St. John, N.B.

Mr. Vincent is a war veteran, having seen service in France, Belgium and Germany. Returning from overseas, the new minister took his B.A. degree from Acadia University, Nova Scotia, and later his B.D. degree from the Eastern Baptist Seminary, Philadelphia. He has served in churches at North Sydney, N.S., Philadelphia; Wheeling, Virginia; Halifax, N.S., and Woodstock, N.B.

Mr. Vincent is the former Miss Jean Bishop of Moncton, N.B., past editor of the annual year book of the Women's Convention of the Maritime provinces and also past vice-president.

Rev. Vincent has served on many boards and committees of the Convention in the Maritimes, and was a member of the convention executive.

While in Halifax he was president of the Protestant Minister's Association.

Mr. and Mrs. Vincent are the parents of three children. Mrs. Dr. Roberts with her husband, a medical doctor with the Canadian forces in Germany, Mrs. John Nelson of Calgary, and Gordon Vincent, a teacher on the staff of the Calgary high school.

LEGION SCHOLARSHIP

Miss Margaret Lott, daughter of Mr. and Mrs. T. B. Lott of Summerland, has been awarded a \$400 Dominion Command, Canadian Legion Scholarship to UBC. Margaret graduated from Summerland High School, and last year took grade 13 at the Penticton High School. She will attend UBC this fall taking teacher training.

NARAMATA

Final Summer Course at LTS

The final in the series of summer courses concludes today at the Christian Leadership Training School. The one-week session designed as a boys' laboratory school and conference started August 22 and has been held under the direction of Rev. Clyde Woolard of Naramata. Forty leaders and 30 boys have participated in the closing session.

Among the many lecturing during the week were Dr. Vernon Fawcett of Vancouver, who has conducted classes on Bible study; Rev. Bill More, Burnaby, instructing leaders with Tyro; Jack Way, Boys' Work secretary, Vancouver, leaders with Sigma-C and Tuxis; William Baird, Vancouver, religion in Cubbing and Scouting; A. M. McNeil, 100 Mile House, worship and crafts, and Merv Ovsen, Vancouver, other groups.

Mrs. Baird has been directing the vacation school and teen camp and Mrs. John Kerr has been play school director.

Mrs. A. H. Grant, a member of the Valley Trail Riders, has taken her horses, Dawn and Dawnabba, to Kelowna for the Okanagan Light Horse Improvement and Show Association's 10th annual Horseshow and Gymkhana being held there this weekend. She was accompanied by Miss Ann Selvidge of Penticton and A. W. Philcox with his horse, Calico Babe.

Mr. and Mrs. C. S. Burtch have returned home after touring for several days in the Kootenays. The latter's son, Percy Tinker, has arrived from Vancouver to spend the Labor Day weekend in Naramata.

Mr. and Mrs. David Grant and two small sons of Penticton have taken up residence in a cottage at the Christian Leadership

Pre-Nuptial Parties For Donna Fletcher

Miss Donna Fletcher, a popular Oliver bride-elect, has been widely entertained prior to her marriage this evening to Mr. M. Zeeman at a ceremony in the Osoyoos Anglican Church.

More than twenty-five guests gathered in the attractive garden at the home of Mrs. Carl Keller when she and her daughter, Miss Noreen Keller, entertained at a miscellaneous shower for Miss Fletcher.

She was again honored when Mrs. Wallace Smith with her daughters, the Misses Wilma and Patricia Smith, held a shower at their home. She was the recipient of many lovely gifts which she opened with the assistance of Mrs. W. Hack and Miss Wilma Smith.

Refreshments were served by the hostesses following a pleasant social evening. Those assisting were Mrs. J. Mitchell, Mrs. A. Osland, Mrs. McDowell, Mrs. J. Venables, Mrs. Jardine and Mrs. McLennan.

FASHION INTEREST

Interest in fashion mounts among coeds and younger back-to-school class. Coeds will like the knit skirts, knitted crepe jersey blouses, and wonderful winter cottons, sueded brushed cotton, like the original Dutch fabric of the same character, being featured in all Canadian collections.

AROUND TOWN

September Bride - Elect is Honored at Pretty Shower

A September bride-elect, Miss Eva Selby, was the honored guest when start members of the Canadian Bank of Commerce entertained at a miscellaneous shower at the home of Mrs. Ed Stapleton, Vancouver Avenue.

The honoree, who will become the bride of Gerhard Kahrmann at a ceremony September 6 in St. Saviour's Anglican Church, was the recipient of many lovely gifts. Prior to opening the gaily wrapped gifts, Miss Selby was presented with a pretty rose corsage.

Guests honoring the bride-to-be were Mrs. Ron Brown, Miss Adelaide Evans, Mrs. Trev Watkins, Mrs. T. Pollicano, Miss Mary Benedict, Mrs. Henry Bartel, Miss Lillian Fior, Miss Shirley Hafner, Miss Shirley Wilts, Mrs. Marvin Carter, Mrs. Allan Hooker, Miss Elmy Adamson, Miss Marilyn McDermott, Mrs. C. S. Sworder and Miss Betty Ann Selby.

Among the many visitors spending the holiday weekend in Penticton are Miss Bess Forbes of Victoria, vice-president of the National Federation of Business and Professional Women's Clubs, and Mrs. Margaret Campbell of Vancouver, a past national president of the federation.

Dr. and Mrs. F. E. Geisert and small daughter Sally have arrived in Penticton and are guests with Mrs. Geisert's parents, Alderman and Mrs. P. E. Pauls. Dr. Geisert will return to the coast early in the week while Mrs. Geisert and Sally will visit here for two weeks.

Among the many who have arrived in Penticton for the wedding this evening of Miss Shirley Gill and James Colvin of Calgary are the bride-elect's grandfather, John Ovens, and her fiancée's parents, Mr. and Mrs. F. W. Colvin from Calgary.

John Cox, son of Mr. and Mrs. R. E. Cox, will leave next week for Pullman, Washington, where he will be married to Mrs. Roy Watson, Chatslain Apartments. He has enrolled as a student at the State University.

The Sir Charles Tupper Chapter, Imperial Order Daughters of the Empire, at Vancouver collected and sells discarded eyeglasses and frames to raise funds in support of the organization's extensive program devoted to various educational and welfare

services. The Vancouver IODE chapter is appealing to Okanagan residents for their support with this project and is asking for donations of old spectacles and frames, either shell or metal. All donations may be sent to Mrs. A. W. McGhie, 3206 West 43rd, Vancouver, B.C.

The Penticton school employees and their families held a successful picnic at Okanagan Falls on Sunday with more than fifty present for the occasion.

The day's program included water sports, races and games with special treats for the children. Picnic arrangements were under the direction of a committee composed of Jack Hutcheson, Ed Walker and Bill Roberts. It is planned to make the picnic an annual affair.

Mr. and Mrs. Donald Matson

Hair Stylist Will Hold Reception At Beauty Salon

A well-known Canadian hair stylist, Arnold Yung, formerly with the Hudson's Bay Beauty Salon at Vancouver, will open a salon in Penticton next week in the new annex to the Three Gables Hotel at 366 Martin Street.

The new establishment, Arnold's Hair Styling Salon, will be formally opened to the public at a reception Tuesday afternoon from 2 p.m. to 5 p.m. Refreshments will be served and Mr. Yung has extended an invitation to the general public to visit his modern beauty centre.

Mr. Yung has had extensive experience in various phases of his work with fashion shows and series of lectures on hair care, styling and coloring for the Vancouver School Board and has worked with fashion shows and the theatre at the coast. He was coiffure designer for The Theatre Under the Stars, creating period styles for various productions and others for the modern stage.

IODE CHAPTER WILL RESUME ACTIVITIES

Members of the Diamond Jubilee Chapter, Imperial Order Daughters of the Empire, will resume activities following the summer recess at the first fall meeting to be held September 9, at 2:30 p.m., at the home of Mrs. H. H. Boyle, Skaha Lake.

MRS. ELEANOR ROOSEVELT ENDORSES AMAZING NEW HEARING INVENTION

Mrs. Eleanor Roosevelt has now joined other prominent Americans and people from all walks of life in praising a revolutionary new hearing device called "The Listener." "It certainly heralds a new day for the hard of hearing," said Mrs. Roosevelt recently.

Continuing, she added: "If people only knew what a revelation and a joy the LISTENER is, they would not for a moment hesitate to wear one. This is the first hearing aid that exactly fits my needs. I didn't realize a hearing aid could be as good as this."

So widespread is the interest in this remarkable new electronic hearing achievement, the makers have prepared an illustrated booklet giving full details. Those interested may obtain a free copy from:

(Refreshments Served)

ARNOLD, FORMERLY POPULAR HEAD STYLIST AT HUDSON'S BAY CO. BEAUTY SALON, VANCOUVER, IS MOST SKILLFUL IN HIGH FASHION HAIR STYLES AS WELL AS MODERN HAIR COLORING, ALSO IN THE MORE CASUAL, PRACTICAL, CONSERVATIVE HAIR STYLES, FOR WOMEN OF ALL AGES. Consultation without charge . . . To everyone: a hearty welcome to our party.

Arnold.

"In the last days it shall come to pass . . . that the house of the Lord shall be established in the top of the mountains . . . and people shall flow unto it. And many nations shall come."—Micah 4:1-2.

In Caesarea there lived a man named Cornelius a centurion who was devout, and worshipped God. One night Cornelius had a vision from God telling him to send men to Joppa to seek Simon Peter.—Acts 10:1-5

Praying on the housetop, Peter had a vision of a sheet let down containing many beasts. Peter said he could eat nothing that was unclean. He was told not to call any of God's creatures unclean.—Acts 10:10-15

Told that three men wanted him, Peter went to them, and, finding that they came from Cornelius, he went to Caesarea and preached Christ in Cornelius' house.—Acts 10:17-34

MEMORY VERSE—Romans 10:12

Reds Order Shelling Of Islands Redoubled

By SPENCER MOOSA

TAIPEI, Formosa (AP)—Communist fire slackened off today after pouring more than 12,000 shells into the Nationalist-held Quemoy Island group in 24 hours. But Peiping threatened heavier bombardments to come.

The Communist ministry of national defence ordered its artillery units to redouble their attack on the islands just off the Chinese mainland, Peiping Radio said. It claimed that heavy casualties had been inflicted on Nationalist troops in the eight-day bombardment.

Most military men on Formosa have concluded that the shelling is the prelude to a Communist attempt to capture the Quemoy group soon. The Nationalists say they're ready.

WON'T LEAVE ISLANDS

Rear Admiral Liu Hsiang-tai, the ministry's official spokesman, said there would be no question of the Nationalists' abandoning the Tan Islands in the Quemoy group or any other offshore islands no matter how heavily they were shelled.

The Tan Islands are considered the most likely point for a Communist invasion attempt.

Both Wilber M. Brucker, U.S. secretary of the army, and Gen. I. D. White, commander in chief of the U.S. Army in the Pacific.

NICKEL PRODUCTION

At the beginning of this century, the world's entire production of nickel amounted to only about 20,000,000 pounds annually. In 1957, the free world alone produced approximately 490,000,000 pounds.

Confusion Reigns At Lake Fair Day

Canadian Press Staff Writer TORONTO (CP)—The Canadian National Exhibition, celebrating its 80th anniversary, still attempts to give the public something different each year.

This year the something different was Lake Fair Day. That was Friday. Activity—and confusion—was concentrated along the 1½-mile waterfront.

Plans called for a four-mile tugboat race, a rowing and paddling regatta, a lakefront variety show and a waterskiing demonstration. Trouble started when two tugs finished in a dead heat and ended when 40 marooned sailors were rescued from a seawall.

Tugboat judges, not anticipating a close finish, had chosen an imaginary finishing line between a buoy and a vague point on shore. After considerable discussion the win went to the Billie-M, commanded by Herb Keenan of Toronto.

ANCHORED OFFSHORE

Forty members of the HMCS York band were posted 100 yards

off the floodlit waterfront aboard an old ferryboat made over into a Mississippi River showboat. The craft was anchored to a seawall and the crew left.

The band played. The spectators applauded—and went home. The lights went out and still the band sat. Somebody finally remembered return transportation hadn't been provided and an hour later enough small boats were rounded up to bring the sailors ashore.

Rowing and paddling events had to be cancelled after the area inside the breakwater became crowded with small craft. A war canoe from the West Rouge Canoe Club, attempting to navigate choppy water, was swamped, sending its 16 occupants into the water.

Earlier in the day a speeding hydroplane overturned and narrowly missed hitting the concrete seawall. And a cabin cruiser ripped its bow on an underwater obstruction and was towed ashore with only its roof above water.

Markets in Canada Score Moderate Gains

By GERRY MARTIN
Canadian Press Staff Writer

Canadian stock markets scored moderate advances during the past week despite a week end setback for pre-holiday profit-taking.

A mixture of fact and rumors spurred the market forward amid increased trading as investors picked up among speculators. Stock markets in Canada and the United States will be closed Monday for the Labor Day holiday.

At Toronto, industrials gained three points on index, their best advance in three weeks. Base metals added almost three-quarters and Western oils one-quarter point. Golds were the only losers, down a few decimal points.

OILS CLIMB

While industrials were the big winners, Western oils came in for more than their share of attention. The section climbed sharply following a report from Washington Monday that proposed changes in the United States voluntary oil imports program for areas east of the Rocky Mountains will be made public next month.

Industrials scored their gains in the first three sessions. Across the section, steel and papers were the leaders. Among the winners were Trans Mountain Pipe Line, up \$4.12½ at \$61. Algoma gained \$1.50 at \$32.25 and Steel Company of Canada was ahead \$1 at \$64.75.

Base metals were on the way up until Thursday when news of a ½-cent-a-pound cut in the custom smelter price of copper in New York was announced.

WIPES OUT GAIN

International Nickel, Canada's leading copper producer, dipped

\$2.25 Thursday, wiping out a \$2 gain of the day before. On the week Nickel gained 12½ cents at \$30.12½.

Index changes at Toronto: Industrials up 3.19 to 473.25; golds off .07 to \$34.11; base metals up .71 to 163.92; western oils up .20 to 137.19.

Index Changes at Montreal: Banks off .16 to 53.03; utilities off 1.9 to 144.1; industrials up 3.7 to 278.3; combined up 1.9 to 233.6; papers new up 8.5 to 413.6; papers old up 25.56 to 1,261.20; golds off .09 to 72.66.

ESCAPEE WON'T BE HARD TO SEE

GRASMEYER, N.H. (AP)—Edward E. Spenard, 24, escaped Friday from the house of correction where he was serving a year for auto larceny.

Police said he shouldn't be hard to spot.

He went home to change into a green and white plaid sports shirt, blue slacks and a tan and yellow jacket.

Court Convicts Wartime Nazi Officers, Men

ULM, Germany (AP)—A West German court Friday sentenced 10 wartime Nazi SS officers and men to prison terms of from three to 15 years for the murder of 5,202 Lithuanian Jews in 1941.

The mass murder occurred in the German-Lithuanian border area during the beginning of the Nazi invasion of Russia.

The trial lasted four months. More than 180 witnesses were heard.

The 15-year terms were given to two SS majors, Hans-Joachim Boehme, 49, head of the Gestapo in Tilsit, East Prussia, and Werner Hershmann, 53, district leader of the security police in Tilsit.

Witnesses testified that the victims were slain by firing squads that divided them into groups of 300. The younger targets had to dig the ditches in which all were buried after the mass killings.

The prosecution said that other men who belong to the execution squads were either dead or could not be reached.

Most of the defendants had been in jail for more than two years while their cases were being investigated. This time will be deducted from their sentences. The maximum penalty possible was life imprisonment.

The accused claimed they acted under orders and would have endangered their own lives had they done otherwise.

36 Persons Die in Cholera Epidemic

NEW DELHI, (Reuters)—Thirty-six persons died here during the last week and 300 have been admitted to hospitals following a cholera epidemic.

The epidemic started after the city's water supply broke down, forcing many people to drink from disused wells.

There's more thrilling excitement with the TEXAS RANGERS, Monday at 7:30, when Jayce Pearson and Clay Morgan investigate another wrong-doing.

There's drama on THE MILLIONAIRE, Monday at 8. When police officer Paul Madison is called on bribery charges, his fiancée and fellow officer, Laura Hunter, finds herself able to track down the real culprit after she receives the gift of one million dollars.

Enjoy a half-hour of good theatre, with top Canadian actors and actresses appearing in another original teleplay, ON CAMERON, Monday at 8:30. See "The Builders," the story of an ambitious contractor who neglects his conscience for an answer to an illegal building problem.

When Lucy Ricardo decides she is going to raise tulips, no one is surprised . . . just terror-stricken at the results, on I LOVE LUCY, Monday at 9. And, to add to the horticultural horror, she competes with a neighbor in a tulip-growing contest.

On the adventures of TUGBOAT ANNIE, Monday at 9:30, Annie is faced with the prospect of putting her tug in mothballs if she can't find more work. When a pretty young widow engages the tug to give her husband a sea burial, Annie makes a startling discovery.

EXCLUSIVE, the exciting new drama series based on stories by famous newsmen, is seen Thursday at 7. Phyllis Calvert stars in "The Czar's Daughter," a story by reporter George Herald, who uncovers the strange facts that shroud the identity of the only living daughter of Czar Nicholas the Second.

On Thursday at 7:30, see BREAKTHROUGH, a spectacular film record of an outstanding engineering accomplishment: one of the world's greatest tunnels, at Kemano, B.C. See how this great tunnel was created out of solid rock.

"MAN IN THE MOON" is a science-fiction drama on PLAYHOUSE U.K., at 8:30 Thursday. It's about a young criminal sentenced to life imprisonment, who volunteers for a trip to the moon. Starring Charlton Heston, Donald Pleasence, and an all-star British cast.

The WYATT EARP story, Wednesday at 8:30 is called "The Pinkertons." Marshall Earp temporarily loses his badge when detective Allen Pinkerton disappears of his methods for solving a train robbery.

A suicide is thwarted in the FABIAN OF SCOTLAND YARD mystery to be seen Wednesday at 9. The man who tries to kill himself, by jumping in front of a train, is a respectable business executive. Inspector Fabian discovers the reason and sets a trap. See the story "Moral Murder."

Two wartime buddies find themselves on opposite sides of the law ten years after the war ends, in NIGHT OF TERROR, the exciting TOP PLAY to be seen Wednesday at 9:30. Donald Murphy stars as the policeman.

When a young man is accused of robbery with violence, lawyer Richard Boyd is briefed to prosecute, and meets his match in a quick-witted woman lawyer handling the defence. See "Both Sides of the Story," on BOYD Q.C., Wednesday at 10.

Wednesday at 10:30 is time for another story of a person caught in THE WEB. This week a deaf and uneducated migrant worker is accused of killing his employer. A young lawyer takes the man's case, and the rest of the story takes place in a courtroom.

At 9:30, a film documentary of THE AMERICAN COWBOY. This feature will appeal to young and old alike, for it tells of the life of a typical cowboy.

And Thursday at 10 is always WRESTLING time on Okanagan Television.

Please note that HIGHWAY PATROL has been suspended until October 9th, when a new series of these exciting police stories will come to you every Thursday at 9:30.

On OKANAGAN FARM AND GARDEN, Friday at 7, Mike Oswell's special guest will be Bob Wilson, who will discuss "Fruit and Vegetable Exhibiting." You will enjoy these informative half-hours.

JET JACKSON flies into another danger zone to uphold justice and freedom, Friday at 7:30, in a story called "The Walking Ghost." It's a story about a man who is mainly for the laughs.

On THE LAST OF THE MOHICANS, Friday at 8, Hawkeye and Chingachgook help out a young girl who is being victimized by a wealthy man. With the help of George Washington, the two frontiersmen find attempts by the man to frighten and force the girl away from the territory.

Panelists try to identify real or imaginary objects on ONE OF A KIND, Friday at 8:30. Alex Barbra is moderator, and panelists are Lloyd Bochner, Kathie McNeil, Allan Mannings and Rita Greer Allen.

From A MIDSUMMER THEATRE, Friday at 9, a half-hour drama called "Mary Ann." It's the story of a matrimonial battle that is touched off when a husband forgets his third wedding anniversary.

On MOVIE TIME, Friday at 10, see "The Adventurers." Jack Hawkins and Dennis Price star in this exciting story about four men who set out to find a fortune in diamonds. No one trusts the other, as they trek through dark jungles and over limitless plains. Much of the film was shot in South Africa.

Town House Apartments Open

10 Spacious Units in New \$30,000 Structure

THEY GET A BANG OUT OF THEIR JOB

What does it feel like to be fired from a huge cannon every day and soar 150 feet into the air before finally reaching the safety of a net? This husband-and-wife team of human cannonballs, Ruth and Walter Patterson admit that they "get a charge" out of it but still get butterflies before every performance. The 23-year-old

couple, from Nashville, Tenn., perform every afternoon at the CNE and leave customers gasping as they fly from the cannon's mouth. Their lives are in the hands of Ruth's uncle, the great Edmundo Zaccini, who pulls the trigger on the double-barrelled silver cannon.

Penticton's newest apartment building, Townhouse Apartments at 234 Scott Avenue, has opened for business.

The two-storey, \$30,000 structure, owned jointly by Kenneth Borton of Penticton and Mrs. Alice Metz of Vancouver, is a gracious addition to the circle of establishments offering apartment accommodation to Penticton residents.

The building, of frame construction in the exterior walls and concrete block for the various partitions, contains 10 units. Five are two-bedroom suites and the other five offer single bedroom

accommodation. The building is fully insulated and completely soundproofed throughout. All floors are of hardwood and heating is by hot water from an automatic gas heater with individual thermostatic controls in each room.

Tastefully decorated throughout in soft pastel colors, Townhouse Apartments also boasts a completely equipped central laundry room and furnace room.

Exterior finish is of Ranch-wall plywood.

Ample parking facilities are provided for 10 cars.

Mr. Borton, who has moved into the building with his family, is a partner in the Penticton firm of Cranston & Albin, building supply and roofing establishment. Mr. Borton, in Penticton for the past year, is in charge of the company's construction division.

Born in Summerland, Mr. Borton has lived in Vancouver most of his life, being employed in the roofing business. He was with Marine Roofing and Sheet Metal Works at Vancouver until coming to Penticton.

Townhouse Apartments is his first venture into the apartment house field.

The building was completed in four months by the contractor, Pollock & Taylor of Penticton.

Explorer 1's radiation count was 30 to 40 a second, as expected, at heights of 200 to 300 miles, he said.

But the count climbed to more than 35,000 a second at peak altitudes of both Explorers I and III, von Braun continued.

There was no way to determine their source—whether the particles came from the sun or from interstellar space.

He is expected to stay in New York for much of the session.

An announcement today of the make-up of the delegation said Hon. William J. Browne, minister without portfolio and Progressive Conservative MP for St. John's West, will be vice-chairman.

Smith Heads Delegation to UN Assembly

OTTAWA (CP) — External Affairs Minister Smith will head Canada's delegation to the 13th General Assembly of the United Nations opening in New York Sept. 16.

He is expected to stay in New York for much of the session.

An announcement today of the make-up of the delegation said Hon. William J. Browne, minister without portfolio and Progressive Conservative MP for St. John's West, will be vice-chairman.

Cosmic Ray Check Results 'Fascinating'

AMSTERDAM (Reuters) — Werner von Braun, chief of the United States Army's Explorer satellite program, told the International Astronautics Congress today that the first results of the cosmic ray check by Explorer I launched Jan. 31, were "fascinating and bewildering."

Explorers 1's radiation count was 30 to 40 a second, as expected, at heights of 200 to 300 miles, he said.

But the count climbed to more than 35,000 a second at peak altitudes of both Explorers I and III, von Braun continued.

There was no way to determine their source—whether the particles came from the sun or from interstellar space.

WORLD BRIEFS

ROTATION TIME

GAZA, Egypt (AP)—The commander of the United Nations Emergency Force in the Gaza Strip, Lt. Gen. E. M. Burns of Ottawa, bade farewell Friday to the 2nd Canadian contingent with UNEF at a colorful parade. Rotation of Canadian units starts in September.

FORD RAISES SALARIES

TORONTO (CP)—About 2,750 employees of Ford Motor Company of Canada will receive pay increases effective Sept. 1, it was announced Friday by president Edsel Ford. The increase applies to employees not included in collective bargaining units. Hourly-rated employees will receive an additional six cents an hour and salaried employees, except those in the upper brackets, raises of \$10.40 a month.

VISITING MOSCOW

LONDON (Reuters) — Two Canadian weathermen — Dr. Andrew Thompson, weather service chief, and Dr. Warren Godson, head of the service's science department—have arrived in Leningrad at the invitation of the Soviet Central Meteorological Service, the Soviet news agency Tass reported Friday night.

HACKETT BUYS MANSION

HACKENSACK, N. J. (AP)—TV comedian Buddy Hackett was the buyer of slain ganglord Albert Anastasia's palatial estate, Hackett's lawyer said Friday. The house at nearby Fort Lee was purchased at a sheriff's auction Monday on a \$64,000 bid by a New York accountant, acting for Hackett.

COSTLY VENTURE

MONTREAL (CP) — Mayor Sarto Fournier said Friday a world fair in Montreal would cost \$100,000,000 and he knew of no man or group of men prepared to invest that much in one. He said federal government financing would be necessary. Mayor Fournier said the world fair suggestion merits study and Montreal would be the ideal place for it.

MEETS KHRUSHCHEV

LONDON (AP)—Negro singer Paul Robeson met Soviet Premier Nikita Khrushchev in the Crimea Friday. Khrushchev is on his annual August-September vacation.

DUTCH VISIT

DEN HELDER, Netherlands (AP)—The U.S. atomic submarine

Ontario Ridings Return Tories By Acclamation

TORONTO (CP)—Two eastern Ontario ridings have returned Progressive Conservatives by acclamation to the provincial legislature ruling out byelections scheduled for Sept. 11.

Lloyd Harrison Price of Aftonville, 38-year-old service station and restaurant owner, is the new member for Hastings East. A 46-year-old lumber yard owner, George Ellis Gomme of Almonte, was acclaimed in Lanark.

Returning officers in the two ridings reported no other candidates had entered. The acclamations restore the Conservative majority to 84 in the 98-seat legislature.

Mr. Frost said he received the news "with gratification."

At a press conference earlier, Liberal Leader John Wintermeyer said his party, which holds 11 seats in the legislature, did not enter candidates because the byelections were called "merely to provide an artificial impression that the Frost government still has public endorsement."

Donald C. MacDonald, leader of the three-man CCF group in the legislature, said the two ridings have never been good CCF areas and the party is saving its resources for the general election.

It has been our privilege to have been chosen for all exterior and interior decorations for the

Now Open:

Townhouse Apartments, Penticton's newest and most modern, are now open for inspection by prospective tenants. Appointments to view the remaining one and two bedroom suites may be arranged by phoning Mr. Borton at 6879.

Featuring:

Townhouse Apartments offer quiet, suburban-like living, yet are conveniently situated in the downtown area. You have a choice of one or two bedroom suites with large livingroom, combined kitchen and dining area and a four piece bathroom. All apartments boast hardwood floors throughout with the exception of kitchen and bath which are done in attractive tile. Ranges and refrigerators are supplied and each bedroom has a large closet with sliding doors as well as a cloak closet in the hall and a large linen closet opposite the bathroom. Each apartment is completely sound proofed with sound-absorbing carpeting throughout the hall. Individual storage lockers and central laundry facilities are provided. There is a thermostat in each suite so that you may control the heat to your particular taste. No expense has been spared in providing you with the utmost in living convenience and comfort in the design and construction of Townhouse Apartments. Easy free parking space is available for tenants and their guests with a private lawn and shade trees to be completed. All utilities are provided with the exception of electricity. You will be pleasantly surprised with the low, low rental of \$95 per month for the 2 bedroom suites and \$85 for one bedroom suites.

EIGHT PRECIOUS METALS

The precious or noble metals are so defined because of their beauty, excellent physical properties and resistance to corrosion and oxidation. They are platinum, palladium, rhodium, ruthenium, iridium, osmium, gold and silver.

PETER TOMLIN'S SPORTS DIARY

The Kelowna Packers have come up with their second "catch" of the summer. They signed Gerry Goyer, flashy centre with the Belleville McFarlands last season, to a contract for the coming season.

Goyer, a tall, rangy 21-year-old Belleville native, is the second new player to sign with Kelowna. They had previously announced the signing of Ron Leopold, a member of the Kamloops Elks last season.

Gerry's record with the McFarland's last season is an impressive one although he played only 43 games. During that stretch he scored 14 goals and 27 assists for a point-a-game average. He played junior hockey with the Guelph Biltmores of the Junior OHA during the 1955-56 seasons.

His acquisition will help fill the big hole at centre, which was left when Ray Powell re-injured his leg. Powell will not be available for duty this winter.

Softball fans in the Peach City are reminded of the three-team softball tournament at Kivans Park tomorrow. Legion, the Penticton Old-Timers and a team from Sea Island Air Force base will be the participating teams in the tourney.

First game at 1 o'clock will be a grudge match between the Legion crew and the Old-Timers. The Old-Timers threw a challenge at the Legion and the challenge was picked. The Old-Timers are confident they can still show the younger teams a thing or two. Their opponents are just as determined that they will do the showing.

The game at 3:30 will pit the Legion nine against Sea Island. At 5:30 the Sea Island team will tangle with the Old-Timers.

The 1958 major league baseball season has been one of achievement for Bullet Bob Turley of the New York Yankees. It is the year that Turley finally lived up to the potential which baseball men always said he possessed.

Turley, who was once the losingest pitcher in the American League — he lost 22 games one season — has now become the winningest. He made the 20 game circle as a loser and next week should see him crash the select circle as a winner. His next victory will be his twentieth of the season.

Throughout his career, Turley has been known as a flame-thrower who found the plate only occasionally. He was so wild that the major leagues almost gave up on him a couple of times.

Casey Stengel, wily New York Yankee manager, thought he saw a spark of greatness in the big right hander and decided to take a chance on him. For a couple of seasons, Bob looked like he would never achieve stardom.

The turning point in his career came in the World Series of 1956 between the Yankees and the Brooklyn Dodgers. That is the series, you will remember, when teammate Don Larsen threw a perfect game at the Bums. Using a no-windup delivery, Turley followed up Larsen's performance with a great effort of his own. He was beaten by the Dodgers when Enos Slaughter lost Jackie Robinson's fly ball in the sun in the tenth inning, but he was on his way.

Last season he pitched well, but missed the 20-game mark. This season he got off to a fast start and should become this season's first 20-game winner next week. He has more than justified the faith Stengel had in him.

GIANTS DROP 6TH

Mounties Clipped By Solons Again

By THE ASSOCIATED PRESS

Portland Beavers slipped out of the Pacific Coast League's first division last night, the only major casualty of a night that saw the top four clubs all take their lumps.

The Beavers traded places with Salt Lake City Bees, who whipped Portland 9-3 and moved from fourth place up to third, 9½ games behind the first-place Phoenix Giants.

The Giants dropped a 6-5 decision to the Spokane Indians, the last-place Seattle Rainiers stopped second-place San Diego 11-3, and third-place Vancouver Mounties were edged by Sacramento Solons 2-1.

The Spokane club got a 5-1 jump on the Giants by scoring five runs in the second frame, including two on Jim Baxes' home run. Phoenix's run came in the top of the second on Billy Wilson's solo homer.

The Giants got three in their half of the third and tied it up with a singleton in the fifth, but the Indians pushed across the game-winning run in the last of the ninth on two singles, a fielder's choice, a walk and an error.

The Padres never had a chance against the Rainiers as Seattle struck for three runs in the first, two in the third, two in the fourth, three in the fifth and finally in the seventh. San Diego bunched its three runs in the eighth on two walks and four hits, including Earl Averill's triple.

Eddie Kazak led Seattle's 13-hit attack with four singles in five trips to the plate. He drove in two runs and scored three times.

Herb Runs 9th 4-Minute Mile

MALMO, Sweden (AP) — Herb Elliott, the Australian mile master, breezed through a mile here Friday night in 3:58, heading for Oslo amid the acclamations of track-loving Scandinavians. It was the ninth time Elliott had run the mile under four minutes. It is the land of Pavo Nurni of Finland, hailed as the greatest when he ran 4:10.4 in 1923.

But in the past two days Elliott has shown the rugged Swedish performances of which they have never even dreamed.

Ferree Takes Tourney Lead With Red Hot 61

GETS REVENGE AND A RECORD

Determined Muriel Ferguson is hugged by a young admirer after the curvaceous Toronto swimmer set a new record for the 26-mile swim around Abaco Island at Atlantic City. The 23-year-old school teacher was forced out of the Atlantic City swim in July by nausea but vowed she would conquer it. In her solo swim, she covered the 26 miles in eight hours, 5 minutes and 38.4 seconds, over an hour faster than the old mark set by former Canadian Tom Park in 1954.

Casey Sings Blues As Ford Hurts Arm

By ED WILKS
Associated Press Sports Writer

"I'm worried," says Casey Stengel, and that's not quite as preposterous as it sounds.

He reportedly has another two-year contract waiting for him as manager of the New York Yankees at \$80,000 a year. And he has a breezy 10½-game lead en route to his ninth American League pennant.

But, at the moment, he doesn't have Whitey Ford.

The Yankees' stubby southpaw ace (14-7) is on the shelf with a sore arm. Ford won't be missed much in what's left of the regular season, but his absence could be a real blow in the world series. Unable to throw a curve without pain since a hurried warmup Aug. 10, Whitey gave his arm a test Friday night at Washington and it flunked. He faced only two men, got them out, then quit. The Senators made off with a 3-0 victory behind the six-hit pitching of Pete Ramos.

Chicago's second-place White Sox picked up a game as Dick Donovan blanked Detroit 5-0 on four hits. Third-place Boston whipped Baltimore 5-2. Kansas City virtually tied Cleveland for sixth by beating the Indians 8-7.

LIKE IN SPRINGTIME

Ford, winless in two decisions and unable to complete any of four starts since his bullpen blunder, figures his arm trouble is "the same thing I usually get in spring training. I think I'll get a rest for about a week. It will be all right."

Stengel brought Murry Dickson in relief. The little veteran, making his debut as a Yankee after last week's purchase from Kansas City, gave up only four

hits in his 5½ innings—but three of them came in the fifth inning, when the Nats scored twice.

DONOVAN STILL HOT

Donovan, who has won eight of 10 since the all-star game, walked one, struck out six for an 11-12 record. Loser Herb Moford 3-7 allowed five hits. He yielded a run in the first but the Sox had only two hits until the seventh, when they scored a pair. Billy Hoelt and George Susce shut them out the rest of the way.

The Red Sox defeated Arnie Portocarrero for the first time in six decisions as Pete Daley drove in four runs with a triple and three-run homer. Gus Triandos homered in the ninth for the Orioles. Their other run was earned as Frank Sullivan (13-7) nailed a 17-5 lifetime record against Baltimore. Portocarrero is 12-10.

The Athletics, down 3-0 after Minnie Minoso's 19th home run for Cleveland in the first inning, scored four runs in their first. They added two on Hector Lopez' 13th homer in the fifth. Bob Grim (4-5) won his third in a row, with relief help. Hal Woodeshick (3-5) lost it.

Temper Costs Jordan a KO

NEW YORK (AP)—It doesn't pay to get mad in professional boxing. Don Jordan found that out Friday night.

The 23-year-old Californian outpointed French Algerian Lahouari Godhi in a 10-rounder. Don, however, could have won by a knockout but he let his temper get the better of him.

"I got sore by his grabbing and tried to take him out with one punch," said Jordan, a lightweight and welterweight contender. "I know now it was a mistake. I had him going by mixing up my punches."

Jordan piled up a huge margin in the first five rounds. His own stabbing left jabs more than matched Godhi's lefts and his rights shook the 29-year-old invader in almost every round. Godhi took advantage of Jordan's one-track style in the second half to make the fight closer than it should have been.

Argos Facing Tough Test Against Ticats

HAMILTON (CP) — Toronto Argonauts throw themselves against the powerful Hamilton Tiger-Cats Monday in their first meeting of the 1958 Big Four football season.

Despite warnings by Hamilton coach Jim Trimble that his boys will be facing a hungry team, Ticats are expected to take Argos easily.

Tiger-Cats, defending Grey Cup champions, hold the lead with two straight victories and there is no reason to suspect their powerful ground game and the accurate passing of quarterback Bernie Faloney will be stopped by Toronto.

Little has been heard from the Argo camp this week. Conon (Ham) Pool has kept workouts to a minimum, giving his players as much relaxation as possible.

Finsterwald, Souchak Score 65's for Second-Place Tie

By JACK SULLIVAN
Canadian Press Staff Writer

VANCOUVER (CP)—Jim Ferree, a jittery southerner who has found the going tough on golf's tournament trail, parlayed an eight-putter and driving tips from a fellow professional into one of the game's greatest 18-hole rounds Friday.

Ferree, 27-year-old bespectacled blonde from Winston-Salem, N.C., astounded the golfing world with an incredible 11-under-par 61 over the 6,505-yard Point Grey course to take a four-stroke lead into today's third round of the \$42,000 Centennial Open.

He was so nervous at the end of his round he couldn't remember his 32-29 nines and called for help from a player in his three-some.

UNMATCHED TREAT

While this little byplay was going on, and with thousands of persons clustering around, officials of the United States Professional Golfers Association sought record books in a vain effort to find anything that would match his feat.

Many rounds have been shot in 60 and 61 over par-70 and par-71 courses, but there was nothing in the books to match Ferree's score over a par-72 layout.

Ferree, aided financially by a sponsoring steamship line owner from Mobile, Ala., since he joined the tournament tour in 1956, forgot the details of his six-under-par 29 incoming nine over the rain-softened course. The layout has yielded nearly 40 sub-par rounds to a field seeking the \$6,400 first-place money on the 72-hole tournament, which winds up Monday.

"I can hardly talk," Ferree said. "I held my breath for the last four or five holes for fear I'd choke."

TENSE PUTT

He wasn't alone. There wasn't a whisper in the gallery around the 18th green as Ferree lined up a 35-foot putt on the par-five hole. He sank it for an eagle three, tossed his straw caddy hat into the air and sent his putter, bought at St. Paul, Minn., three weeks ago, after it.

"Normally I'm a poor putter," Ferree said. He needed only 23 putts, ranging from three inches to 35 feet. But the putter will go if it doesn't behave.

"As soon as one putter goes

sour I just pack it away and get another," Ferree said. "It could happen with this one."

Ferree got a driving lesson from Frank Stranahan. He went out to the practice tee Thursday after firing a 69 in the opening round.

"I drove terribly on Thursday," Ferree said. "My driving improved today. But it wasn't particularly good. I got into trouble twice on my tee shots—the ninth and 14th—when my ball went to the left at the edge of the woods."

FOUR-STROKE LEAD

Ferree, 82nd money winner in 1957 with \$1,483 and winner of \$5,486 so far this year, may not win the big jackpot here with another 36 holes to go, but people won't soon forget his nine birdies and an eagle Friday. He had a four-stroke lead at 130 going into today's round.

Closest to Ferree at 134 were Dow Finsterwald of Tequesta, Fla., and Mike Souchak of Grossinger, N.Y. They shot 65s to go with first-round 68s. Another three strokes back were Billy Casper of Apple Valley, Calif., and Ken Venturi of San Francisco.

Clustered at 138 were Stan Leonard of Vancouver, Gene Littler of Singing Hills, Calif., Fred Hawkins of El Paso, Tex., Bob Buden of Oswego, Ore., Koichi Ono of Japan and Stranahan.

Al Balding of Toronto, first-round leader with three others, was 10 strokes off the pace. Balding had a 72 Friday to add to his opening-round 68 for a 140 total. He was tied with five others, including Wes Ellis of Ridge-wood, N.J., winner of the \$25,000 Canadian Open at Edmonton last week.

FRIEND WINS 18TH

Bucs Draw First Blood In Series

By ED WILKS
Associated Press Sports Writer

Bob Friend finally has won 18. Dick Stuart is no flop. And Pittsburgh Pirates got off running in their week-long showdown with the Braves by winning 3-2 at Milwaukee Friday night, trimming the champs' National League lead to 6½ games again.

The second-place Pirates trail the Braves by six games in the lost column—and they have six left to play with them, single games today and Sunday at Milwaukee and four in Pittsburgh next weekend.

Friend, the workhorse of the Buc staff, needed relief help from Don Gross at the end, but he had enough to out-duel southpaw Warren Spahn and move out all alone as the NL's top winner.

SPAHN RIGHT BEHIND
The Pirate right-hander, whose best previous winning total was 17 when he had a .500 year in 1956, now is 18-13. Spahn firing for his ninth season of 20 or more victories, is 17-10.

Los Angeles knocked off third-place San Francisco 4-1 and retained fourth place over the St. Louis Cardinals, who defeated Chicago Cubs 7-4. Cincinnati

rapped Philadelphia 5-3. Friend was helped from the game in the ninth by Eddie Mathews' 28th home run. Stuart, who failed to hang on with the Pirates the last two springs, belted his 14th homer since being recalled after the all-star game. Bob Skinner socked his 11th.

DRYSDALE WINS

The Dodgers handed the Giants their eighth defeat in 10 games behind the five-hit pitching of Don Drysdale and home runs by Carl Furillo and Don Zimmer. Drysdale (10-11) has won five in a row.

Lefty Paul Giel (4-4) lost it. Vally Moon drove in three runs for the Cards with a home run and a two-run triple while Larry Jackson won his 12th with his sixth straight complete game. The Cubs had 10 hits, scoring two runs on Walt Moryn's 20th home run in the ninth inning. Dick Drott (6-11) was the loser.

Bob Purkey, the right-hander the Pirates traded to Cincinnati for Gross last December, won his 15th, tops on the Redleg staff, with an eight-hitter. Loser was Don Cardwell (2-3).

THRILL CNE CROWDS

Outstanding Canadian water skiers thrill crowds at the Canadian National Exhibition with a daily display of daring tricks. At top are Mary Perkins and Isobel Weale. Supporting cast are Arlene Crossman, Lionel Conacher and Carol Ann Duthie. Like his famous father, Lionel Conacher is a natural athlete and excels in football and water skiing.

Minneapolis Plans Suffer Minor Blow

MINNEAPOLIS (AP) — Backers of major league baseball for Minneapolis still were hopeful today for early action despite a setback that brought delay in approval of a \$9,000,000 city bond issue to expand Metropolitan Stadium.

The board of estimate and taxation Friday laid the matter over until Tuesday despite arguments that even a short delay might hamper the drive to bring Washington Senators here.

Chet Roan, stadium manager, said a bid from a major league team might come this weekend and "it would be terribly embarrassing if the city can't say it's ready."

Three of the seven board members said they wanted more time to study the proposal despite its earlier approval in the city council by an 11-to-2 ballot.

WAIT FOR CONTRACT
The bonds for city financing of the stadium, which was built with private funds, would not be issued unless and until a contract is signed with a major league team.

Defensive Stars Pace Lions' Win

DETROIT (AP)—Detroit Lions' defensive crew grabbed off all the glory Friday night while the defending champions raced to a 26-7 triumph over New York Giants in a National Football League pre-season contest witnessed by 33,090.

Veterans Yale Lary and Jim David intercepted passes and returned them for touchdowns.

BARRIE FETES ITS WORLD TOURING BAND

Youngful band from Barrie, Ont., won three first-place awards at the World Music Festival in Kerkira, Holland, but they treasure this handsome trophy most of all. It was presented to them by proud Barrie citizens on the band's return from their 10,000-mile European tour. In

Holland, they competed with 200 bands from all parts of the world before 40,000 spectators. Before the festival, the Canadian band visited England, France and the Brussels fair. Over 4,000 Barrie residents gave the young musicians a rousing welcome-home complete with a parade.

Commons Air Transport Affairs

By ARCH MacKENZIE
Canadian Press Staff Writer

OTTAWA (CP) — The Commons plied through the reaches of transport department affairs Friday contributing a long list of suggestions and requests.

Concern about Canada's merchant marine was expressed by members of all parties and there was a disputed suggestion that CNR President Donald Gordon would be overpaid at one-third his present \$75,000 salary.

Bulk of the day's business concerned study of Transport Minister Hees' spending estimates. R. Hardy Small (PC-Toronto Danforth) used the occasion to throw some cracker-barrel criticism at President Gordon.

J. W. Pickersgill (L — Bonaville - Twillingate) defended the CNR president as "one of the greatest civil servants this country ever had."

Mr. Small, taking aim on some aspects of CNR service, said it was time Mr. Gordon was told: "We don't want to hurt your feelings but... your salary should be commensurate with the service you are giving and probably at \$25,000 a year you would be overpaid."

CAN'T GUARANTEE JOBS
Mr. Hees reiterated for CCF House Leader Hazen Argue that he cannot guarantee CNR employees their jobs because by statute the company is responsible. He had been assured that any current layoffs were absolutely necessary and the men would be rehired as soon as possible.

Arnold Peters (CCF — Timiskaming) and Chesley W. Carter (L-Burns - Burgeo), both members of the Commons divorce committee, called for changes in the method of handling Quebec stations.

Fall Business Outlook Not So Good in States
NEW YORK (AP) — Business would up a surprising summer this week with most economic indicators still reporting recovery. This autumn outlook, however, contained items to produce caution.

While the calendar didn't say autumn has arrived, for business the Labor Day weekend is a traditional dividing line. The past summer might well be remembered as the Summer of the Unexpected Revival. It produced an upturn in the capital goods industries, hit by the 1957-58 recession. Wall Street celebrated with a rousing rally in stock prices.

The question now is how far and fast the recovery will go. It was obvious that, if federal monetary authorities have anything to say about it, the recovery will not break into a wild boom. Again this week the Federal Reserve System tightened bank credit, bringing net free reserves down to the lowest level since Jan. 8.

U.S. BONDS RISE
With money getting tighter, U.S. bonds again experienced a wide decline. High grade corporate bonds also fell back.

HOUSEHOLD HINT
If wallpaper has mildewed, not only the paper but the plaster beneath it must be dried out. It may be necessary to heat the room for several hours or days to do this. Also, the plaster should be dried out slowly to prevent it from cracking.

Protests Flare Into Big Riots

MEXICO CITY (AP) — Students and oil workers with separate complaints united, in five hours of rioting Friday before police quelled them with gunfire.

A bank employee was killed accidentally when a bullet fired at a mob smashed through a bank window. Hospital authorities said 33 persons were taken to hospital, with wounds, many from gunfire. Scores of others were injured by stones, clubs and tear gas grenades.

Most of the rioters were students protesting poor bus service and workers of Pemex, the government oil monopoly, who are involved in a union squabble that has no connection with the student complaints.

The first fight broke out in front of Pemex headquarters when workers tried to break into the building and accused police of cruelty in using tear gas on dissident workers in rioting Thursday. Two factions of oil workers have

been fighting for control of their union.

GROUP REGATHERS
Police and firemen broke up the Pemex crowd, which included students, railway workers, telegraphers and teachers. The demonstrators were chased but regathered.

Students captured a bus and set it afire as they have done on a number of occasions since their protest began last Saturday. Demonstrators hurled bricks against police tear gas. There was hand-to-hand fighting, with police using clubs.

Police arrested several persons for the bus burning. A mob of about 1,000 advanced on the federal district attorney's office to rescue one of the arrested youths. With tear gas and clubs unable to stop the advance, police fired about 100 shots into the crowd and laid down a heavy tear gas barrage. One of the shots hit the bank clerk.

Several other demonstrations swirled into clashes later as more troops were sent into the centre of the city. By evening the situation had quieted.

Hurricane Losing Its Punch Now

HALIFAX (CP) — Hurricane Daisy snarled at the Maritime Friday night, then headed out to sea after being barely noticed.

Late Friday Daisy was headed straight for Yarmouth on the southwestern Nova Scotia coast and the province braced for an onslaught of gales and rain but Daisy veered seaward and began blowing herself out.

Some Maritime communities had rain. Yarmouth had a brief but heavy downpour. Then a rainbow appeared and skies cleared.

The weather office said today there was no further danger to the mainland. But the hurricane was scheduled to hit Sable Island, 100 miles off the Nova Scotia coast, at 6 a.m. today with winds of 65 miles an hour and gusts as high as 85.

A report that several fishing boats were in the path of the storm could not be confirmed. Official sources said all boats had probably reached port safely.

PECULIAR STORM
Weather experts described Daisy as "unique and peculiar." One weather office spokesman said it was unusual for a hurricane passing within 100 miles of the coast not to hurl gale-force winds at fringe areas.

A United States reconnaissance plane reported to Boston Friday night that Daisy still packed winds of 100 miles an hour at her centre. But an early-morning advisory issued here said wind speeds were expected to diminish to 65 miles an hour as the storm swept by Sable Island and eventually died in the Atlantic.

Efforts to confirm a report attributed to Captain Roland MacDonald of the fishing boat Marjorie and Marybelle about travellers lying off Sable Island in the storm's path were unsuccessful. Capt. MacDonald was quoted in Sauris, P.E.I., as saying several captains told him Thursday they felt the storm danger was over and planned to fish the area Friday.

RUSS TOURIST

Mrs. Anna Butenko, architect from Kherkov, USSR, reads a travel folder upon arrival by plane in New York. Mrs. Butenko is the only woman in a group of 14 "ordinary" Russian tourists visiting the U.S. for two weeks. Although the group is supposed to be typical of Russia, every member is a professional person. They are the first private tourists of Soviet tourists to tour the U.S. since the Bolshevik revolution 40 years ago.

Wheat Crop at 11-Year Low

OTTAWA (CP) — The Prairies' drought-damaged wheat crop this year will be the second lowest in 11 years.

It will total an estimated 338,728,000 bushels, two-thirds the 10-year average of 465,000,000 bushels.

Except for 1954, a bad rust year, when the harvest fell to 331,961,000 bushels, the crop will be the lowest since 1947 when it was 338,500,000.

The crop this year would compare with last year's below average yield of 370,500,000 bushels and with a high of 702,000,000 bushels in 1952.

The bureau of statistics crop estimate, announced Friday, would bring the year's total supplies to 953,400,000 bushels, including a reduced carryover at Aug. 1. Stocks last year were about 1,101,000,000 bushels.

The smaller crop this year is due mainly to lower yields per acre, resulting from drought conditions that affected mainly southern Saskatchewan, and to smaller acreages under cultivation.

The bureau said that harvesting progress is good everywhere, except in northern parts of the Prairies.

It added most crops should not be vulnerable to early frost damage. The crop estimate, based on yields indicated two weeks ago, is higher than the forecast 313,000,000 bushels at the start of the season.

Wheat yields are estimated to average 16.2 bushels an acre, compared with 17.6 bushels last year and 26.7 in 1952.

Forecasts of other Prairie crops with last year's yields in brackets: Oats, 384,082,000 bushels (380,599,000); barley, 228,859,000 (215,993,000); all rye, 8,026,000 (8,539,000); mixed grains, 63,681,000 (63,292,000); flaxseed, 21,950,000 (19,179,000); potatoes, 37,741,300 cwt. (44,077,000); tame hay 16,821,000 (19,188,000).

Monitoring Stations Can Detect A - Tests

By WARREN ROGERS JR.

WASHINGTON (AP) — East-West experts officially reported today that atomic weapons tests could be detected by monitoring stations around the world.

The report was the result of seven weeks of secret talks at Geneva among scientists from the United States, Russia, Britain, France, Canada, Poland, Czechoslovakia and Romania.

25-PAGE REPORT
The scientists' 25-page report was made public at the same time it was to be released in the seven other countries.

The report called for: 1. A network of 180 control posts around the globe. About 170 would be land based and 10 aboard ships. They would be manned by 30 detection experts each, plus 20 subordinate staff as clerks, for a total staff of 9,000.

2. Creation of an international control organization. It would run the global system, pick the staff, select the detection devices, study reports and generally see to it that no nation cheated on any international ban.

3. Use of weather-reconnaissance aircraft to sample the air for radioactivity.

AVOID POLITICS
The report did not go into the political question of whether there should be an international ban on test explosions. But as to whether cheating could be detected, it said:

"It is technically feasible to establish... a workable and effective control system to detect violations of an agreement on the worldwide suspension of nuclear weapons tests."

"The conference considers that what is ever the precautionary measures adopted by a violator he could not be guaranteed against exposure, particularly if account is taken of the carrying out of the inspection at the site of the suspected explosion."

The report said the 170 land-based posts would include 110 on continents, 20 on large oceanic islands and 40 on small oceanic islands. The 10 ships would drift about 1,200 to 2,000 miles apart, perhaps six or seven in the Pacific and the others in the South Atlantic and Indian Oceans.

AFFECTED BY QUAKES
The 110 continental and island posts would be about 625 miles apart in areas where earthquakes occur, about 1,000 miles apart in others.

The recommended pattern was described as a "five-kilometer system." That meant it could nab "good probability" any kind of nuclear explosion — underground, underwater, ground, high altitude — down to those with a power of 5,000 tons of TNT.

THE PENTICTON HERALD 10

ENGAGEMENTS

Mr. and Mrs. Charles Vaseleko of Penticton announce the engagement of their daughter, Emma Ruth, to Edwin Arland Noyes, son of Mr. and Mrs. C. E. Noyes of Gaston, Oregon. The wedding will take place on September 14th at 7:30 p.m. at the Seventh-Day Adventist Church, Rev. Chas. McKee will officiate.

Mr. and Mrs. W. Ira Betts of Penticton announce the engagement of their younger daughter, Marjorie Irma, to James Walter Fenney, son of Mr. and Mrs. J. W. Fenney of Vancouver. Wedding will take place at 7 p.m. on September 27th at the Penticton United Church.

CARDS OF THANKS

We wish to express our sincere gratitude to all our friends who so kindly sent contributions to the British and Foreign Bible Society, and to those who sent flowers and messages of sympathy to our home. May we also thank the Doctor and Hospital Staff for their kind care during our mother's stay in the hospital.

DEATHS

EYRE—Passed away suddenly at his home, 161 Ellis Street, Alfred George Eyre, aged 69 years. Survived by his wife, Gwendolyn; two sons and one daughter, Francis, North Vancouver; Maurice, Orillia, Ontario; Mrs. (Carina) E. G. McLean, Salmo, B.C., and three grandchildren. Remains will be forwarded by the Penticton Funeral Chapel to Revelstoke for burial. R. J. Pollock and J. V. Carberry, directors.

Appealing Bungalow Design Caters to Busy Housewife

Architect M. G. Dixon, of Ottawa, gave sympathetic consideration to the busy housewife when he designed this three-bedroom bungalow. He has concentrated his efforts in providing a well-arranged kitchen and work area in the house.

A handy dining nook and ample cupboard and shelf space are features of the kitchen. The convenient side service entrance, with vestibule and coat closet, as well as a second access to the bathroom will save the housewife many steps in looking after the needs of small children. Another highlight of the plan is the large combined living-dining room with its long unbroken wall to facilitate the placing of furniture.

The total floor area is 1,295 square feet and the exterior dimensions are 41 feet by 30 feet. Working drawings for this house, known as Design 269, are available from Central Mortgage and Housing Corporation at minimum cost.

The Building Editor,
Penticton Herald,
Penticton, B.C.

Enclosed please find 25 cents for which send me booklet "Select Home Designs".

NAME
ADDRESS

FIRST AID TO AILING HOUSE

BY ROGER C. WHITMAN

KITCHEN LINOLEUM

QUESTION: We want to replace the linoleum in our kitchen. How can we remove the present linoleum? A felt paper was cemented down first, then the linoleum.

ANSWER: It should not be difficult to remove the linoleum. Pry it up with a wide-blade knife, then pull up as much of it as possible. Usually, a separator at the felt, to remove the felt that sticks to the floor, wet it down with hot water. After a few minutes, the paste will soften and both felt and paste can be removed. Another method is to scrape off as much of the felt as possible; then clean the floor with a floor-sanding machine.

LAYING FLOOR TILES

QUESTION: Where can I get information on how to lay floor tiles in nine-inch squares in several different colors? Our kitchen floor is solid oak and has been varnished several times. Without removing the old varnish, do we have to remove the old varnish or can the tile be laid on top?

ANSWER: The tile dealer from whom you purchase the tile has instruction sheets, printed by the manufacturer, for installing the tile. Suggested color schemes and patterns are also available. Be sure to use the adhesive recommended by the manufacturer for his product. All varnish, paint, grease or grime must be removed before putting down the tile.

CLAY STAIN ON DRY WALL.
QUESTION: Previous tenants of our home had children who put clay on a bedroom wall from time to time, leaving a greasy-looking mark. The wall is of dry wall construction. We want to remove the stain before repainting the room.

ANSWER: Try cleaning area with wallpaper cleaner, available at paint and hardware stores. This is a doughlike material that is rolled and kneaded over the wall surface. If this doesn't remove stain, cover the spot with thick layer of paste made of fuller's earth or powdered chalk and a non-inflammable spot-removing liquid. Allow to remain until dry, then brush off. If neither of these methods is successful, coat area with thin layer of shellac before painting (there's a chance this may not be entirely successful, but worth trying).

BUILDING PERMITS

QUESTION: I would like to build a cement block wall from my garage to kitchen door. Do I need a permit? How far from the sidewalk must I stay?

ANSWER: Get in touch with your city buildings department for information about construction permits, restrictions, etc.

FLOOR PAINT BLISTERS

QUESTION: We had a wooden floor laid on our side porch. It has been painted several times,

but the paint always blisters. How can this be prevented?

ANSWER: Blistering is usually caused by moisture accumulating under the paint film. This will happen if the paint is applied when the wood is wet; also, if there is an insufficient amount of ventilation on the underside of the porch floor. In addition to providing sufficient ventilation, cover the ground with a vaporproof paper or strips of polyethylene plastic, overlapping about six inches and sealing. All the present paint should be removed down to the bare wood. Allow plenty of time for the wood to dry. The present paint should be removed. Painting underside of porch floor with aluminum paint will act as a vapor barrier against ground dampness.

RADIATOR PROBLEM

QUESTION: I installed a small radiator in my cellar which has a simple connection in the return and hot water feed lines to the rest of the house. After connecting, it took several hours to get water in my second floor radiators and even then the radiators filled very slowly. Was this delay caused by the new cellar radiator?

ANSWER: Only partially, in my opinion. After the radiator was filled with water, there should no longer be any delay in water reaching the rest of the radiators upstairs. The only reason I can offer is that your water pipes may be partially closed by corrosion from deposit on the inside (fairly common in hard water areas); or the circulating water pump may have been weakened through long services; or, possibly, an obstruction in the feed pipe where the new radiator was joined may cause partial clogging.

BABY OIL STAIN ON CARPET
QUESTION: Baby oil was spilled on our light grey wool carpet. I tried carbon tetrachloride (fuller's earth) first. It helped, also used detergent to clean. When I clean the spot it seems to be clean, but after four or five weeks the spot shows up dirty. The back of the carpet doesn't show the spot. What can you suggest? Spot is in a conspicuous place.

ANSWER: Apply a non-inflammable dry cleaning fluid with a medicine (eye) dropper to the stained area, and then sponge off with a clean white unattached cloth. If this doesn't work, recommend sending the carpet to a professional cleaner.

PEELING CHILING

QUESTION: In several areas of our dining room ceiling the paint is peeling off. In other sections, the paint is firm. Before repainting should I remove all the firm paint, which would be a big job? We notice that when anyone walks around the bedroom just over the dining room, the light fixture in the ceiling

shakes. Can this be the cause of the scaling?

ANSWER: Using the ceiling paper, as you suggest should be a practical solution. You could also cover the ceiling with paint-er's muslin (available where wall paper is sold) and then paint. It gives a very satisfactory surface. Obviously the bracing between the bedroom floor and the dining room ceiling is far too weak and should be strengthened with cross bracing. Consult a reputable builder on this point.

LIGHTER MAHOGANY FINISH

QUESTION: We were given a dark mahogany end table by my mother. Can this be refinished to a lighter color?

ANSWER: Remove the present finish with paint remover, preferably of the non-inflammable variety, following label directions carefully. After the varnish has been removed, bleach out the color with a hot, saturated solution of oxalic acid, applied liberally, and allowed to remain overnight, then rinse well with clear water. When the wood is thoroughly dry, smooth it with top quality gloss or semi-gloss varnish. If a much lighter color is desired, you will have to use a prepared wood bleach in place of the oxalic acid. Paint stores handling wood-finishing materials can supply the bleach.

PARIS (AP)—An Algerian shot a French soldier in the stomach today in a continuation of the terror reign the North African have imposed on Paris as part of a campaign to win freedom for Algeria.

Two Algerians were captured in an outlying section of Paris after they fired several times at a police car.

A fire in the Marseille oil depot started early Monday by terrorists continued spreading with the ninth explosion of a tank.

New Premier to Be Married Today

WINNIPEG (CP) — Manitoba's new premier was to be married this afternoon in a quiet ceremony at a grey stone church almost within the shadow of the Manitoba legislative building.

Charles Dufferin (Duff) Roblin, 42, sworn in as premier just two months ago after winning the June 16 provincial general election, was to exchange vows with Mary Linda MacKay, 29, a talks and public affairs producer with the CBC. It was the first marriage for both.

The marriage climaxes a courtship that began with occasional dates several years ago when Miss MacKay was a reporter for the women's page of the Winnipeg-Free Press. The romance blossomed last winter when Mr. Roblin, for many years a friend of the MacKay family, took time out from the electioneering that helped put the Progressive Conservative party in power for the first time since 1915.

GRANDSON OF PREMIER
Mr. Roblin is a grandson of Sir Rodmond Roblin, the last previous Conservative premier. He is the son of Mr. and Mrs. Charles D. Roblin of Winnipeg. Miss MacKay is the only daughter of Mrs. Douglas MacKay of Ottawa, formerly of Winnipeg. Her father, the late Douglas MacKay, worked for The Canadian Press at Ottawa and was editor of the Hudson's Bay Company's quarterly magazine, The Beaver.

The chapel of All Saints Anglican Church was decked with fern and white summer flowers for the simple ceremony conducted by Rev. John Blewett, rector.

The bride was to be without attendants and given in marriage by her elder brother, Shane MacKay, Canadian editor of Reader's Digest, Montreal.

BROTHER BEST MAN
Best man was to be Rod Roblin, the premier's brother. Following the ceremony a family reception was to be held at the home in River Heights where Mr. and Mrs. Roblin will live temporarily on their return from a short motor trip.

Miss MacKay, a petite brunette with bright dark eyes and an elfin smile, was to wear for the wedding a day-length sheath dress of pale beige chiffon. Her headpiece was a crisscross band of gold leaves and her bouquet had gold leaves encircling a cluster of brown Cymbidium orchids.

Five feet, three inches and vivacious, Miss MacKay is the youngest of three children. She was born in Montreal and grew up in Winnipeg, graduating in

arts from the University of Manitoba before following the family tradition in journalism.

FORMER LIBERAL
Prior to her marriage she attended the United Church. Once

Bribe Trial Nearing End

VANCOUVER (CP) — British Columbia's longest criminal trial—the Sommers bribery-conspiracy case—is finally nearing its end. Another two weeks should see it through.

J. R. Nicholson, counsel for H. Wilson Gray and his company, Pacific Coast Services Ltd., and Evergreen Lumber Sales, told the Assize Court jury why his clients should be acquitted in the politically-potent case.

Mr. Nicholson branded the Crown's chief witness, Charles Eversfield, as a "cold-blooded schemer, a blackmailer and a liar," and said he was the "kingpin in the case."

ACTED "UNWISELY"
The lawyer said that Gray may have acted "imprudently and unwisely" but was not a criminal nor guilty of criminal acts.

Mr. Nicholson said the Crown mainly rested its case on the evidence of Eversfield, the former Pacific Coast Services Ltd. bookkeeper who took numerous documents from the company files before he left his job in 1955.

The Crown mainly bases its case on the testimony of Eversfield and his documents. It charges that former lands and forests minister Robert Sommers, who resigned in 1956 but still is a member of the legislature, took bribe money for use of his influence in obtaining government licences permitting holders to cut timber on Crown land.

Charged with him are H. W. Gray, John Gray, Charles D. Schultz, the C. D. Schultz Company, Pacific Coast Services, Evergreen Lumber Sales and B.C. Forest Products Limited.

HIGH-GRADE ORE
At its plant at Copper Cliff, Ontario, International Nickel recovers the highest grade open hearth iron ore produced in quantity in North America.

WHAT DOES NAMPHCC STAND FOR?
It means the National Association of Master Plumbers and Heating Contractors of Canada.

CODE OF ETHICS
WITH OUR FELLOW CRAFTSMEN

8. That we will maintain friendly relations with those of our craft and that we will practice clean and honourable competition.

9. That we will take no unfair advantage of each other; make no disparaging remarks regarding a competitor's product, his methods or his prices or his personal or financial standing.

(To be continued)
The following are members of this association:

Harford & Smith
McKay & Stretton

Always watch for this Emblem

a Liberal in politics she said recently she became interested in the Conservative party after attending a Diefenbaker meeting in 1950. However, she said she intends to stay out of political matters as wife of the premier.

Mr. Roblin, after a stint in the army during the Second World War, transferred to the RCAF and was discharged in 1946 as a wing commander.

A successful automobile dealer in Winnipeg, he entered politics in 1949.
